Secretariat Overview:

The Executive Office for Administration and Finance (A&F) develops and executes cost effective public policy initiatives and services that ensure the financial stability, efficiency and effectiveness of state and local government . A&F agencies share a public policy vision of continuous improvement driven by the recruitment, development and support of employees who are collectively as diverse as the citizens we serve. A&F's new secretary, Michael Heffernan has been at the helm since August, 2017.

The A&F Secretariat is comprised of thirteen agencies that strive to further the Governor's efforts of serving the citizens of the Commonwealth and making an impactful difference. The agencies are as follows: Appellate Tax Board, Bureau of State House, Civil Service Commission, Department of Revenue, Developmental Disabilities Council, Division of Administrative Law Appeals, Division of Capital Asset Management and Maintenance, Group Insurance Commission, Human Resources Division, Massachusetts Office of Information Technology, Massachusetts Office on Disability, Operational Services Division, and State Library of Massachusetts.

Workforce Analysis:

A&F has a total workforce of 2,785 compared to 2,862 in Fiscal Year 16 (FY2016) which represents a 2.8% decrease in its total workforce.

Aggregate Data:

Category	FY 2017	FY2016	Variance
Females	49.4%	49.5%	-0.1%
Minorities	26.0%	25.8%	+0.2%
Persons with Disabilities	4.2%	4.2%	0%
Veterans	1.8%	1.8%	0%

Female employees made up 49.4% of the A&F workforce; this is a slight decrease from FY16. Minority employees made up 26% of the A&F Secretariat, which represents an increase over FY16. Persons with Disabilities and Veterans make up 4.2% and 1.8% respectively; there has been no change in both categories from FY16. The Secretariat continues to drive positive diversity outcomes.

Workforce Trends: A&F agencies continue to partner with the Office of Diversity and Equal Opportunity (ODEO) to promote their open positions within various diverse communities and professional organizations. Engaging in strategic partnerships has proven beneficial to develop pipelines of diverse talent, in order to advance a primary goal of diversifying the workforce on all career levels. In addition, during FY17, A&F agencies continued to promote females and minority individuals. Female employees received 50.0% and minority employees received 50.0% of the promotions.

Agency Highlights: Several A&F agencies have established Diversity Councils or Diversity team and employees from these councils and teams collaborated during FY2017 to host two Secretariat wide diversity career development events, two

community service events and one social diversity event. The events were well attended and feedback from A&F employees was positive.

Moving Forward: We are committed to attracting, promoting, and retaining a highly skilled and diverse workforce. The Executive Office for Administration and Finance will continue to promote and encourage staff professional development. One example is A&F's participation in Lynda.com. Through Lynda.com employees can access developmental opportunities through eLearning's at their own pace. Our aim is to advance the Secretary's vision around Diversity and Inclusion.

EXECUTIVE OFFICE OF EDUCATION (EOE) FY 2017 ANNUAL NARRATIVE REPORT

Introduction

The Executive Office of Education (EOE) sits at the center of our public education system, and coordinates the development and implementation of initiatives across our early education, K-12, and public higher education institutions.

We are committed to realizing a more rigorous, comprehensive and successful 21st Century education system that expands on our achievements so that we ensure all Massachusetts students are prepared to succeed in the global economy. By investing in research-based strategies, raising standards and accountability, improving assessments, increasing the quality of teaching, promoting innovation, enhancing student supports and rewarding excellence, Governor Baker is ensuring that all Massachusetts students not only remain at the head of the class nationally, but are positioned to successfully compete internationally and to realize the American Dream.

Overview

The EOE serves as a single, responsible authority within the Commonwealth's comprehensive education system, which is comprised of the Department of Early Education and Care (EEC), the Department of Elementary and Secondary Education (ESE), the Department of Higher Education (DHE), and the University of Massachusetts (UMASS). Each of these organizations is governed by a Board that provides leadership and direction. In addition, the Executive Office of Education advises the Governor on matters of education policy, helps shape the Governor's policy agenda, and works with the Commissioners to build a seamless Pre-K - 12 public education system.

Broad Comparison of Workforce

There are 695 employees in the Secretariat. This is a reduction of positions from FY16. The reduction of positions, slightly impacted the number of employees who have identified as Veterans, however in the other protected categories, EOE workforce remained stable in parity from FY16 to FY17. The Secretariat saw an increase in voluntary terminations during the 2nd and 3rd quarters most likely due to the voluntary separation incentive program (VSIP). Additionally over the fiscal year, each agency evaluated its operations with the departing employees and the inability to backfill certain vacant positions, which resulted in reallocations for employees who assumed more leadership responsibilities. Involuntary terminations were extremely low this fiscal year.

Analysis

The chart below compares protected group representation for FY16 and FY17.

Protected Categories	Commonwealth Parity % (2010 census)	2016	2017
Females	48.80%	73.4%	73.7%
Minorities	20.70%	24.6%	24.6%
Veterans	3.5%	1.1%	.9%
Persons with Disabilities	12.0%	5.6%	6.1%

Applicant pools are reviewed to ensure that qualified applicants in protected categories are given full consideration for open positions with the special emphasis on management positions. Continued participation in Professional Development Programs such as the MassSP, Mandatory Training and related agency-based activities throughout the year remains a priority. Finally, EOE agencies continued to support their internship programs as a means of providing valuable work experience for participating students and marketing the Commonwealth as an employer of choice.

Highlights

A Secretariat - wide Employee Assistance Program (EAP) service was purchased in January of 2017. Fourteen employees across the Secretariat participated in leadership programs that were offered through the EHS Center for Staff Development to gain skills for supervisory or management positions. Agency Leadership, Supervisors and Managers participated in a day-long skills building workshop that focused on performance reviews and employee feedback. EOE has opened accounts on Handshake and Latino, recruitment platforms, to increase on-line visibility of job posting.

Secretariat Moving Forward

EOE will continue to work on strengthening its workforce through professional development opportunities including increasing the compliancy rate for all the Commonwealth's Mandatory Diversity Trainings to ensure that all staff members are appropriately trained in areas related to diversity awareness. One agency has expanded their focus of diversity to now include on a voluntary basis, Beyond Diversity, Courage Conversations on Race by Glenn Singleton.

Conclusion

EOE is committed to creating an inclusive environment for a diverse range of highly skilled professionals. Our environment is one of mutual respect, integrity, professionalism and accountability.

Some of the initiatives are flex time, job sharing, “trip opportunities” and the “promote from within” practice and employee benefits have been often cited reasons for employee retention. Even though EOEEA workforce is highly educated workforce and there are opportunities to attend interoffice workshops and distance learning opportunities available to most employees. EOEEA has created a culture promoting learning in the workplace and continues to encourage each employee to strive to do their best.

Workforce Overview

Workforce Analysis and Highlights for the Fourth Quarter of Fiscal Year 2016 compared to the Fourth Quarter of Fiscal Year 2017

	Workforce Fiscal Year 2016	Workforce Fiscal Year 2017	2010 Census Availability Benchmark
Total Employee Count	21,475	21,692	N/A
Minorities	7,934 (36.9%)	8,208 (37.8%)	20.7%
Females	14,608 (68%)	14,768 (68.1%)	48.8%
Veterans	328 (1.5%)	314 (1.4%)	7%
Employees with a disability	535 (2.5%)	514 (2.5%)	2.4%

The close of fiscal year 2017 saw an overall increase from fiscal year 2016 in EOHHS's total employee population, including the number of Minority and female employees.

The decrease in the number of veteran employees was partially a result of the Voluntary Separation Incentive Program.

Retention & Promotions in Fiscal Year 2017

EOHHS is committed to offering professional development opportunities to all employees, as it leads to higher retention, enhances engagement and cultivates a high performing workforce. In Fiscal Year 2017, five hundred and eighteen employees participated in several Center for Staff Development (“CSD”) programs. CSD offered the Aspiring Supervisor Program, Supervisor Academy, Program Director training program, and Senior Leader Program.

The number of promotional opportunities for minorities, females and veteran employees increased in fiscal year 2017 and decreased slightly for employees with a disability.

Hiring in Fiscal Year 2017

In FY17, agencies were required to adhere to strict hiring controls that impacted the agencies’ ability to hire. Despite the controls, the EOHHS Office of Recruitment and Retention participated in a significant number of external job fairs and career events and partnered with agency stakeholders, such as DYS and DCF to hold in-house job fairs. In addition, recruiters distributed vacancy announcements to more than 150 community organizations, colleges and interest groups to diversify the talent flow, and maintained contact with referral sources to assure a steady pipeline of qualified applicants within the protected categories.

Hires for Fiscal Year	Minorities	Female	Veteran	Disabled
2016	876	1356	47	3
2017	942	1396	33	1

The hiring data demonstrates the increase in the hiring of minorities and females in FY17, and a decrease in the number of veterans and persons with a disability. It should be noted that the data for the hiring of veterans and persons with a disability may not accurately reflect individuals hired in those categories, as generally, individuals are unwilling to self-identify.

Employment Terminations in Fiscal Year 2016

The data reflects a decrease in the number of employees terminated across all demographics.

Fiscal Year	Minorities	Female	Veteran	Disabled
2016	1004	2170	95	109
2017	927	1598	61	41

Secretariat Moving Forward

The Center for Staff Development will continue to provide a variety of accessible professional development opportunities for all employees at all employment levels.

The Office of Diversity and Civil Rights will continue to partner with the EOHHS Office of Recruitment and Retention, diversity officers and hiring managers to enhance recruitment efforts.

The Office of Diversity and Civil Rights will work with the Center for Staff Development to improve hiring by training managers on best practices. The two departments will also work to educate managers on employment laws and the importance of fair employment practices. The Office of Diversity and Civil Rights will continue to monitor the progress of each agency's Affirmative Action goals and will review employment policies and practices to ensure compliance with Executive Order 526.

EOHED agencies continue to offer a variety of programs and policies designed to encourage staff retention, including flexible scheduling, and professional development opportunities.

Promotion

EOHED agencies encourage employees to apply to all open positions. HED employees are informed of all job opportunities within the Secretariat once they have been posted on the Commonwealth's Mass Careers site. Our promotion rates have increased over the course of the past few years.

Hiring

Open positions are posted on the web-based Mass Careers site. Additionally, vacancies are shared with colleges and universities, professional and community-based organizations, including those which serve women, minorities, veterans and people with disabilities. Employee referrals have also been an effective recruitment tool. EOHED strives to ensure that all applicant pools and hiring panels are diverse, and diversity questions are included in all hiring processes.

Terminations/separations have mostly been for reasons such as retirement, relocating, returning to school and/or obtaining employment closer to home. However, there were a couple of terminations that occurred due to the employee's failure to meet agency expectations.

Secretariat Moving Forward

EOHED remains committed to recruiting and retaining a diverse workforce while providing an inclusive and respectful work environment for our employees. This includes continuing to expand recruitment efforts in order to increase representation of persons with disabilities and veterans within the workforce, including continuing to actively promote the semi-annual self-identification campaigns.

Workforce Comparison of FY 2016 and 2017

In FY17, the Secretariat and its five departments employed 1,039 employees scattered across the entire Commonwealth. This was a decrease of 88 on the FY 2016 total of 1,127. Females accounted for 60.4% and minorities for 35.2% of this total, with 628 and 366 employees respectively. These statistics showed a slight decrease in the representation of women and an increase in the representation of minorities in the EOLWD workforce when compared to FY 2016. In 2016, females were at 686 (60.9%) and minorities at 383 (34.0%). Thus, females decreased by 58 and minorities by 17 with a -0.5% difference in the percentage of women and +1.2% percentage increase for minorities. Both remain well above the workforce availability statistics of 48.8% for females and 20.7% for minorities as determined by the 2010 census.

In the categories of veterans and persons with disabilities there were important changes in the composition of the workforce. In FY16, 48 (4.3%) employees were certified veterans, while 110 (9.8%) were persons with disabilities. The decrease in the workforce from 1,127 to 1039 in FY17, saw the number of veterans decline to 43 or 4.1% of the workforce. The current goal for veterans is 7%. Despite this decrease in the workforce in FY2017, persons with disabilities rose to 127 or 12.2%, surpassing the goal of 12% for persons with disabilities.

The achievements of the EOLWD compared favorably among the eight (8) secretariats. At the end of FY17, only two secretariats, EOHHS and EOE, employed a greater percentage of females, and only one, EOPPS, had a greater percentage of veterans than EOLWD. In the category of disabled persons, the EOLWD led all other secretariats.

In order to nurture the potential of its employees and enhance succession planning, the Secretariat offers training, career development and tuition reimbursement,

as well as access to Human Resources Department (HRD) supervisory and management training courses. Recognition awards ceremonies for outstanding achievement have also been instituted. The EOLWD offers an attractive package of benefits including health care, retirement, sick, vacation and personal time that ensures the retention of a large percentage of its employees. In addition, collective bargaining agreements offer promotional pathways based on the seniority of their membership. These ensure continued success in employee retention in all protected classes.

Through networking with numerous diverse minority, female, veteran and ADA organizations, attending career fairs, conducting informational interviews and partnering with the State ODE, MOD and disability & veteran agencies, the Office of Diversity has ensured increased access to job opportunities for protected groups, despite budget cuts. Voluntary terminations are infrequent and primarily confined to entry level positions when promotions arise elsewhere, usually within the state system. Layoffs accounted for the majority of involuntary terminations at the EOLWD in FY17.

Secretariat Moving Forward

The Executive Office has gone through a massive layoff and also has a new Secretary at the helm. The Secretary is committed to aligning our workforce development resources to better match the needs of our diverse communities. In order to more fully understand the needs of the EOLWD workforce, she plans on holding frequent meeting called “Chats On 21,” where several team members from each department can have lunch with her and discuss the issues. Secretary Acosta is committed to diversity, inclusion and equal opportunity at all levels of EOLWD.

THE EXECUTIVE OFFICE OF PUBLIC SAFETY AND SECURITY FY 2017 ANNUAL SECRETARIAT NARRATIVE

The Executive Office of Public Safety and Security (EOPSS) is responsible for the protection of the Commonwealth and its citizens from injury to person or property arising from criminal acts, negligence, natural disasters, civil disturbances and terrorism. EOPSS is charged with acting to prevent such acts or events from occurring, by aiding and cooperating with local and federal agencies in similar activities.

The Secretary of Public Safety and Security, by statutory authority, leads EOPSS, along with the Undersecretary for Homeland Security and Emergency Management, the Undersecretary for Law Enforcement, the Undersecretary for Forensic Sciences and Technology, and the Assistant Secretary for Policy and Legislative Affairs.

The Secretariat is comprised of 10 agencies, the Department of Criminal Justice and Information Systems (DCJIS), Department of Correction (DOC), Department of Fire Services (DFS), Department of State Police (POL), Massachusetts Emergency Management Agency (MEMA), Massachusetts National Guard (MIL), Municipal Police Training Council (MPTC), Office of the Chief Medical Examiner (OCME), Parole Board (PAR) and the Sex Offender Registry (SORB). In addition, there are 3 offices which operate within EOPSS, the Office of Grants and Research (OGR), the Office of Technology and Information Services (OTIS) and State 911 Department.

The Secretariat's workforce has a challenging mission and is dedicated to serving the citizens of the Commonwealth twenty-four hours a day, every day of the year. This office has established an atmosphere of commitment and dedication to the safety of the public and its employees. The following paragraphs provide additional insight into both the challenges and successes experienced by EOPSS' agencies.

As of June 30, 2017 (FY17) EOPSS employed 8,156 employees. This represents a decline from last year where there were 8,672 employees and the high of 2015 of 8,779 employees. This decline is primarily due to continued retirements turnover and continued fiscal discipline. A comparison of the workforce between the last two years is as follows: FY17 Males 77%, Females 22.1%, Minorities 13.2%, VEV's 18.2%, and Persons with Disabilities 1.1% FY16 Males 78%, Females 22%, Minorities 13.2%, VEV's 18.4%, and Persons with Disabilities 1%.

EOPSS and its agencies encourage internal employees to attend various training and to take the initiative to apply for promotional positions that become available. In FY17 highlights include the following:

- During FY16-FY17, the selection process for the 83rd Recruit Training Troop, the next State Police Academy class was completed. The class will begin on August 14, 2017; the current numbers reflect 16% minority candidates. It will represent the highest minority graduation rate since 1996.
- The Meet to Resolve Mediation Program works hard to assist DOC employees, contractors and vendors in resolving workplace issues at the lowest practical level.

- Transgender Awareness Training: The DOC was the first executive branch department to assist a transgender employee transition into the workforce. In FY17 we once again had the opportunity to provide assistance to a second employee transition from a male to female worker. As a result, we focused efforts once again on training and education in this area. A total of 86 DOC Employees attended the “Visible At Last Creating a Welcoming Place for Transgender Individuals in the Workplace”.

EOPSS has made an effort to attract and hire a diverse group of qualified candidates in all categories. Some agencies were able to maintain their parity number while others were able to increase diversity in the categories listed below:

- Official and Administrators
- Professionals
- Office/Clerical

The EOPSS Secretariat workforce has decreased by 516 employees due to the Voluntary Separation Retirement Program and the Department of Public Safety’s transition to the Department of Licensure. Despite this decrease the overall representation remains consistent. EOPSS will continue to pursue further diversification of the workforce in all categories based on the needs of the agencies and notwithstanding the current budgetary constraints.

The Executive Office of Public Safety and Security moving forward

EOPSS will continue to make efforts to meet the Commonwealth’s benchmarks in each category where goals have been set. In FY18, EOPSS will continue to hire and promote in the protected group categories. This Secretariat will continue to monitor and encourage all agencies to put forth its best efforts to improve hiring and promoting in all categories when positions become available.

In FY18, EOPSS’ hiring will be based on the operational needs of each agency. Vacancies will be filled where deemed appropriate by agency heads and EOPSS Chief of Staff. When a vacant position is available, the Secretariat will continue to make good faith efforts to work toward our placement goals in all four of the protected groups.

EOPSS Human Resources team will work directly with Agency Diversity Officers and the Secretariat Chief of Staff to monitor the vacancies and hiring activities of all EOPSS’ Agencies to ensure all placement goals are consistently tracked and reported on a quarterly basis throughout this year.

There will be an emphasis on the classroom diversity training during the next year.

MASSACHUSETTS DEPARTMENT OF TRANSPORTATION

FY2017 ANNUAL NARRATIVE REPORT Introduction/ MassDOT Mission Statement

The Massachusetts Department of Transportation (MassDOT) oversees roads, public transit, aeronautics, and transportation licensing and registration in the Commonwealth of Massachusetts. Its mission is to deliver excellent customer service to the people who travel in the Commonwealth and to provide our nation's safest and most reliable transportation system in a way that strengthens our economy and quality of life.

MassDOT's Office of Diversity and Civil Rights Mission Statement

MassDOT's Office of Diversity and Civil Rights (ODCR) is committed to providing exemplary service to our employees, customers, vendors and stakeholders in an effort to prevent discrimination against any individual or group based on their race, color, gender, national origin, ancestry, religion, disability, age, sexual orientation, genetic status, gender identity, veteran status or military service. ODCR is dedicated to promoting inclusion, transparency and visibility, while fostering the growth and development of a diverse workforce and vendor base. ODCR is also committed to ensuring compliance with all MassDOT state and federal laws and contract requirements.

Overview

In 2016, MassDOT implemented three (3) agency wide personnel actions that significantly affected the workforce demographics of the Secretariat in regards to both age and race/national origin. A Voluntary Retirement and Separation Incentive Program (VRIP/VSIP) for eligible Executive Department employees signed by Governor Baker was implemented. In addition MassDOT went from manual toll collections to an All Electronic Tolls (AET) system, necessitating a layoff of a majority of its former toll collecting personnel. An analysis of the demographics of the VRIP/VSIP shows the action had a significant impact on ages 40 and above. This was contemplated as the majority of the employees retiring would be expected to be between the ages of 55-70. The AET related personnel action reveals that 40% of the laid off employees were minorities. This reduced the percentage of minority employees remaining in toll collections from 37% of the unit to 28%. As both personnel actions were part of an overall plan to reduce the size of the State budget, MassDOT experienced a reduction of its labor force during this period and MassDOT's hiring was limited to operationally critical positions. The Workforce Analysis Summary¹, taken after the above noted personnel actions, includes all MassDOT departments is broken down by gender, race/ethnicity, veteran status, and individuals with disabilities. At the end of the previous plan period, December 24, 2016, there were 3,548 total employees: 71% Male, and 29% Female. Of the total population, there were 20% minorities and an ethnicity breakdown of 76% White, 11% Black, 4% Hispanic, 5% Asian/Pacific Islander, 0% American Indian/Native Alaskan, and 4% Unknown. 1% of the population identified as an individual with a disability and 3% as a veteran.

Workforce Summary Report for DOT, 2016 Q 4

Annual adverse impact determinations must be conducted for all employment practices. A selection rate for any race, sex, or ethnic group which is less than four-fifths (4/5) (or eighty percent) of the rate for the group with the highest rate will generally be regarded by EEOC, FHWA and FTA as evidence of adverse impact. When adverse impact is found, MassDOT is required to examine the selection procedure to determine the cause and take the necessary steps to correct it.

A Four-Fifth's analysis was conducted for MassDOT's Hires Promotions, Involuntary Terminations, Voluntary Terminations, Transfers, Demotions, Complaints/Discipline, and Training. Barriers to Females in all protected EEO categories of White, Black, Hispanic, Asian/Pacific Islander, and American Indian/Alaskan Native, Barriers to Females in the Skilled Craft EEO-4 Job Category, Barriers to Males/Females in all known EEO protected categories and Barriers to Individuals with Disabilities (IWD) were noted.

Even though MassDOT was affected by the Early Retirement Incentive Program (ERIP), Voluntary Separation Incentive Program, (VSIP), the shift to All Electronic Toll collection (AET) and an ongoing hiring freeze during this period, MassDOT demographics in regards to percentage of females and minorities in the workplace exhibited a slight increase from FY 2016 to FY 2017. These numbers evidence the fact that the MassDOT Office of Diversity and Civil Rights ("ODCR") and key stakeholders remain vigilant with program activities to address diversity related concerns. Given the indicated adverse impact in hiring and promotions during this period, ODCR's internal EEO Unit has taken significant steps in MassDOT's approval process.
